(b) and (c) Since 1.4.1997 no fresh investment of PF contributions is being made in SDS account and hence the question of investment of fresh incremental accretions at a different rate in a separate SDS account does not rise. The investment pattern notified with effect from 1.4.1997 also does not provide for investment in SDS account.

Women Labour in the Country

†577. SHRI BRATIN SENGUPTA: Will the Minister of LABOUR be pleased to state:

(a) the number of women labour presently in the country specially in Uttaranchal, Bihar, Chhattisgarh, Gujarat and Punjab;

(b) out of them the number of women labourers engaged in hazardous industries;

(c) whether reproductive organs of the said women labourers have badly affected due to continuous working in hazardous industries; and

(d) if so, the steps taken or proposed to be taken to ban their employment in these hazardous industries?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI MUNI LALL): (a) and (b) According to 1991 Census, the total female work force in the country, including women labourers is 8,97,67,563. State-wise numbers of these workers are indicated in Annexure.

(c) and (d) There are speical protective provisions prohibiting/regulating the working conditions of women workers in hazardous industries/areas in various statutes. This includes the Factories Act, 1948 and Model Rules framed thereunder which prohibit employment of women workers in dangerous processes/operations and the Mines Act, 1952, which prohibits employment of women workers below ground. No specific study has been conducted to access whether reproductory organs of women are badly affected as a result of being employed in hazardous industries.

†Original notice of the question was received in Hindi.
